

IN THE CLAIMS

Claims 1-10 (Canceled).

11 (Currently Amended). A method comprising:

forming a front plate having an organic light emitting material deposited thereon;

covering said organic light emitting material with a back plate;

~~sealing the region between said front plate and said back plates with a filler material including a desiccant mixed into said filler material;~~

combining a plurality of light emitting device modules to form an array; and

filling the regions between adjacent modules with a filler material including a desiccant mixed into said filler material.

12 (Original). The method of claim 11 including mixing a filler material into an epoxy.

Claim 13 (Canceled).

14 (Original). The method of claim 11 including mixing zeolite into epoxy to form said filler material.

15 (Original). The method of claim 11 including mixing silica into epoxy to form said filler material.
